

THE BERGAILA COMPANIES

OUR PROFILE TO SERVE

The Bergaila Companies is a nationally recognized provider of manpower resources to all sectors of the oil, gas, petrochemical and energy industries. Founded in 1987, Bergaila has built enduring and collaborative partnerships, providing qualified talent to many different sized companies ranging from small-mid private companies to larger Fortune 500 and publicly traded corporations.

Driven by market economics, Bergaila is able to scale manpower solutions for specific and desired outcomes with our client partners. Our recruiting focus encompasses a broad spectrum of job classes, from engineering and construction/project management, to operations and maintenance.

Additionally, our managed services model allows a level of staff augmentation that includes necessary equipment (fleet vehicle, tools, computers, PPE, etc.) to provide a comprehensive approach in delivering integrated workplace solutions, be it in the home office or at a field/jobsite location.
